

Entelechies: Going from potential to really .

We must reach our reality in order to not be insignificant.
Jesus calls those who are insignificant foolish. Matthew 25:3

St John 10:27

My sheep hear my voice, and I know them, and they follow

St John 10:4-6

and the sheep follow him: for they know his voice. 5 And a stranger will they not follow, but will flee from him: for they know not the voice of strangers. 6 This parable spake Jesus unto them: but they understood not what things they were which he spake unto them

WildFire...

Set yourself today in agreement with the will of the Father for our time today. I want to fulfill my time with you today. How many of you want to hear God?

The greatest commandment released to us that we must comply with in these end times is the command to hear...

In the Revelation of Jesus Christ to John, I hear the greatest command to the end time church is to hear. No other phrase, no other charge to present day believers is as strong. No other truth repeated with such urgency as the command to hear...

Seven times this specific command is mention in Christs Revelation

Revelation 2:7

He that hath an ear, let him hear what the Spirit saith unto the churches; To him that overcometh will I give to eat of the tree of life, which is in the midst of the paradise of God.

Revelation 2:11

He that hath an ear, let him hear what the Spirit saith unto the churches; He that overcometh shall not be hurt of the second death.

Revelation 2:17

He that hath an ear, let him hear what the Spirit saith unto the churches; To him that overcometh will I give to eat of the hidden manna, and will give him a white stone, and in the stone a new name written, which no man knoweth saving he that receiveth it.

Revelation 2:29

He that hath an ear, let him hear what the Spirit saith unto the churches.

Revelation 3:6

He that hath an ear, let him hear what the Spirit saith unto the churches.

Revelation 3:13

He that hath an ear, let him hear what the Spirit saith unto the churches.

Revelation 3:22

He that hath an ear, let him hear what the Spirit saith unto the churches.

No matter what the position of the church is; rebuke or accolades... We who are the church must hear...
What the spirit is saying

How do we hear?

We each hear differently. We all may have the same ability to listen anatomically; that is having physically ability to do so, however each of us hears or gets the meaning of what is bring said differently.

Example:

Some need repetition to hear....

Some need to see to hear...

Some need to have it yelled to hear...

Some need quiet to hear...

Some need it repeated (confirmation) to hear...

Some need to be hit (in the head) with it...

Some who's hearing has been damaged need another medium to hear...

It is important that you identify your method of hearing and make the necessary adjustments to hear;
You need to hear the instructions you need in this hour.

You must hear the frequency of God. We must possess the ability to hear God even in the noise of this present day and hour.

Satan has read the book and he knows that God has chosen to amplify His voice to us in this age.

That is why he/satan has turned up the volume of distractions in our life and the atmospheres of our life to try and drown out the voice of the spirit of God.

But we who are the church must understand the importance of hearing God and obeying His voice.

God is counting on you to make the adjustments necessary to hear what the spirit is saying.

This church has a great vision for the region, but the fulfillment if that vision is hinged; that is it is hung on your ability to hear what the spirit is saying... and your obedience to it!

Wildfire your assignment is to keep your embers lit. All Wildfires have embers that are full of fire potential. Even when there is no flame all a wildfire ember needs is a wind. All an ember need is a wind and there will be a blaze of fire in an instant.

All you need is the wind of His voice to blow over you now as He did in the beginning and watch stuff come alive, ablaze in you.

He that hath an ear, let him hear...
